To Our Knowledge the Developer of Longview Street & other surrounding streets paid the Kaipara District Council Contributions towards completing a public walkway pictured here:

This has never been completed to a suitable level to enable a stable ground walkway and now there have been signs put up to tell residents that we are not allowed to use it.

As per: the Residents of the Longview subdivision urgently require the KDC to complete the Weka Street/Urlich Road walkway. This walkway is vital for all of us to access the Domain, safe passage to School for Kids and Te Whai Community Playgroup etc. without having to use our cars.
