

Option 2 - Speed management and close metal driveway

Risks

- 1) Vehicles using alternative driveway may collide with parked cars (i.e lawn mower)

Opportunities

- 1) Landscaping opportunities at raised table area
- 2) Could use raised table as potential crossing point for future footpath connectivity

Golf Club access

Traffic slowed by raise table and planting either side. No stopping lines maintain visibility

Future path connections

Golf Club access
Maintain all traffic movements

No Stopping lines

Alternative driveway ramp to access metal driveway
