

# Resource Consents, Building Control and Compliance

## Purpose

As a growing district we need to plan for future growth whilst ensuring there is a balance between protecting the existing environment and the economic and social needs of our community. This group of activities enhances the quality of the natural and built environment through planning and regulatory measures and ensures we meet our responsibilities under various legislation, such as: The Building Act 2004; Dog Control Act 1996; Resource Management Act 1991; and the Local Government Act 2002.

## Legislation associated with this service

- The Local Government Act 2002
- Building Act 2004;
- Resource Management Act 1991;
- Resource Legislation Amendment Act 2017;
- Reserves Act 1977;
- The Health Act 1956;
- Food Act 2014;
- The Sale and Supply of Alcohol Act 2012;
- The Dog Control Act 1996;
- The Impounding Act 1955;
- Camping Ground Regulations 1985;
- Hazardous Substances and New Organisms Act 1996;
- Burial and Cremation Act 1964;
- General Bylaws 2008 (currently under review);
- The Food Hygiene Regulations 1974;
- The Food Regulations 2015;
- The Health (Registration of Premises) Act 1966;
- The Health (Hairdressers) Regulations 1980;
- The Health (Burial) Regulations 1946;
- The Housing Improvement Regulations 1947.

## Risks and Issues

- Qualified team members for the building and resource consent areas are in short supply and difficult to attract;
- Not meeting building and resource consent application timeframes, particularly with the increased volumes;
- Complaints regarding consent decisions leading to legal challenges;
- Errors when processing a building or resource consent application; and
- Legislative changes leading to a shifting statutory framework including compressed processing time
- Increasing development pressure on Mangawhai is leading to greater interest in resource consents and concerns regarding consent decisions;

## Building Control

### What we do

We are responsible for administering and implementing the provisions of the Building Act 2004. We maintain accreditation as a Building Consent Authority and ensure all buildings are constructed and maintained to appropriate standards and specifications.

We provide information on request to applicants who intend to build or develop a property. We meet the building consent application and Code Compliance Certificate timeframes as well as provide certification that consented buildings people visit, work and live in comply with the NZ Building Code. We also inspect and audit buildings in compliance with regulations and take enforcement action where necessary.

### What we will deliver

Description	When
Consents delivered in a timely fashion with imported training skills covering commercial buildings	2021/2022

### Performance Measures

	LTP Year 1 Target 2021/2022	LTP Year 2 Target 2022/2023	LTP Year 3 Target 2023/2024	LTP Years 4-10 Target 2024/2031
Percentage of building control customers who rate request for service responses as very satisfied or satisfied.	78%	79%	80%	80%
Percentage of building consents processed within 20 working days.	100%	100%	100%	100%
Percentage of illegal activity/unauthorised work complaints investigation initiated within 3 working days. Measured by: Core application overdue service request report.	90%	92%	94%	95%

### Changes in Levels of Service

There will be no changes to the level of service

### Significant Negative effects

Currently no significant negative effects associated with this activity.

## Resource Consents

### What we do

We provide advice on resource consent applications for subdivisions and land use. We aim to meet resource consent application processing timeframes and process Land Information Memoranda (LIMs) within statutory timeframes. We also ensure compliance with resource consent conditions and provide timely approval for granting section 224(c) certificates for new land titles.

### What we will deliver

Description	When
Information and consenting processes that enable developers large or small to do business easier	2021/2022

### Performance Measures

	LTP Year 1 Target 2021/2022	LTP Year 2 Target 2022/2023	LTP Year 3 Target 2023/2024	LTP Years 4-10 Target 2024/2031
Percentage of non notified resource consents processed within 20 working days.	78%	79%	80%	80%
Percentage of Land Information Memorandums (LIM) processed within 10 working days.	100%	100%	100%	100%
Percentage of s224(c) certificates for new land titles processed within 10 working days.	100%	100%	100%	100%

### Changes in Levels of Service

There will be no changes to the level of service

### Significant Negative effects

Currently no significant negative effects associated with this activity

## Compliance

### What we do

We provide registration, verification and inspection services to monitor and enforce standards of public health for; Preparation of safe and suitable food; mobile trades; hairdressing salons; camping grounds and hazardous substances in public and non-workplaces.

To ensure the safe and responsible sale, supply and consumption of alcohol, we process, assess, and grant applications for alcohol licences and managers' certificates.

We educate and assist owners to act responsibly to minimise any danger, distress and nuisance in the community. We respond in a timely manner to dog, stock, noise and parking complaints as well as provide advice and monitor recreational water quality.

We also investigate potential district plan breaches/regulatory complaints and take enforcement action where necessary.
