

14 September 2020

Deputy Mayor

Anna Curnow

Chair Mangawhai Community Park Governance

Dear Anna,

We formally request your permission to allow the arrangement detailed below.

The Mangawhai Museum has been approached by the Mangawhai Daring Trust with a request to allow them to erect a temporary shelter for the Daring. This would be located on our leased land at the rear of our building and adjacent to our Café. It would comprise four containers and a temporary plastic roof between. This temporary shelter will be for a term of 12 months starting from the arrival of the ship. After this the ship will be transferred to its permanent home and the temporary structure will be removed.

We would like to support the Mangawhai Daring Trust and we hope that you will also look very favorably upon this request.

The expected arrival date of the Daring is approximately the 1<sup>st</sup> of February 2021

Yours faithfully

Joanne Naish

Chairperson

Mangawhai Museum & Historical Society Inc.
