To whom it may concern:

I write on behalf of the iwi of Oturei Marae, situated 3 km North of Te Kopuru, in support of the Te Kopuru Community Development Group.

The TKCD Group to date has done some great work in bringing the community together and the outlying groups around Te Kopuru. The communication lines are strong, meetings organized well and well attended, as well as all parties involved kept informed and engaged.

We look forward to being involved with any further mahi and projects the Te Kopuru Community Development Group may have in the near future and further afield.
