## TRAFFIC MANAGEMENT PLAN (TMP) – SHORT FORM

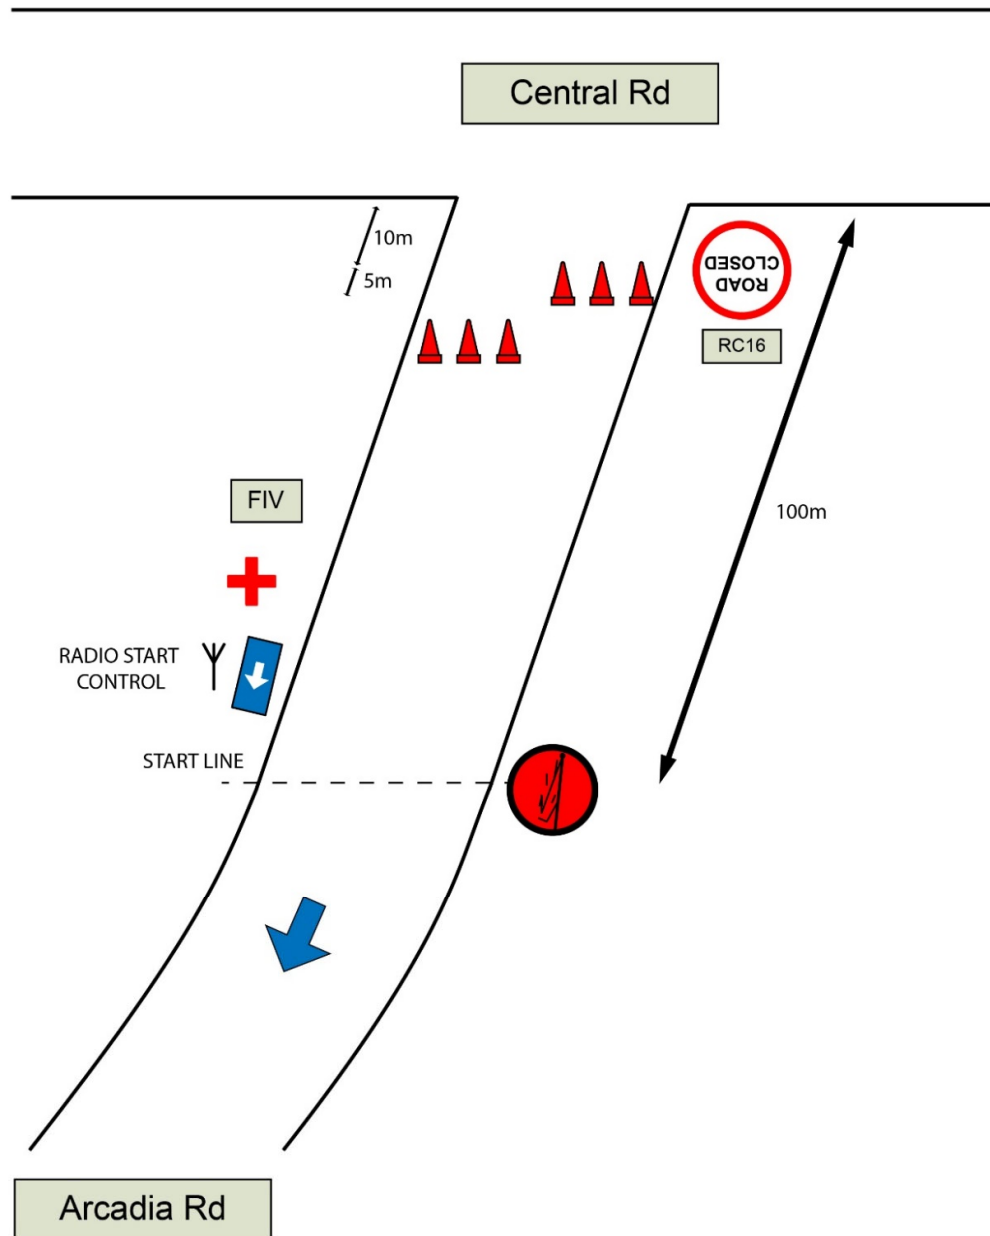

Complete **short form** if simple activity and RCA permits. Refer to the NZ Transport Agency's Traffic control devices manual, part 8 Code of practice for temporary traffic management (CoPTTM), section E, appendix A for a guide on how to complete each field.

	Arcadia Rd does not act as a through road for normal traffic and so it is considered to be more confusing than helpful to install detour signs. Any traffic coming from Bull Road does not have a predictable destination. For these reasons and our ability to provide access if required it is proposed not to install any detours.
