Tena koe Jacob,

Re: Road Stopping Application

Thanks for the opportunity to meet with Andrew and yourself at Waimatenui Farms to discuss the road stopping application. It was good to be able to see the current state of the road and the isolated nature of the farm.

Following discussions on the application and the points that we raised regarding access into Marlborough Forest and cultural aspects, we were satisfied that the planned activities for the area would not impact these.

Please utilise this letter as a **Letter of Support** for the road stopping application with Kaipara District Council based on the outcome of our discussions.

Nga mihi
